

BE A HERO FOR HEARTKIDS!

DID YOU KNOW?

HeartKids is the only national charity dedicated to supporting children, teens and adults affected by congenital heart disease all across Australia.

8 babies a day are born with heart disease. That's 1 in every 100 children. Sadly, 4 young lives are lost each week.

There is no known cure.

HeartKids Be A Hero Day challenges you to dress as your favourite superhero for a day to lead the fight against congenital heart disease
