Dear Alex

I am pleased to advise that the Public School Review of Dalyellup Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe of return for your next Public School Review has been determined as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2026.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

I also note the efforts you and your staff are investing into building positive relationships both across the school and with the community. I am informed that the emotional intelligence program offered supports the foundations for students to progress academically, socially and emotionally.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
