WELCOME TO

KINDERGARTEN

A Warm Welcome

We warmly welcome all children and families to the Dalyellup Primary School Full-Time Kindergarten Program.

Starting kindergarten is an exciting and important milestone. We look forward to a fun-filled year where play, exploration and learning come together to create meaningful experiences that support each child's individual needs, interests and development.

Our program provides opportunities for children to explore, create, investigate and develop their natural curiosity. Through purposeful play, children build strong foundations in early literacy, numeracy and communication, while also developing fine motor skills, friendships, resilience, independence and confidence.

EVERY DAY,
EVERY OPPORTUNITY.

We recognise that every child is unique and aim to provide a welcoming and inclusive environment where all children feel supported, respected and encouraged to learn at their own pace.
Families play an important role in their child's education, and we value strong partnerships between home and school. Most importantly, we want every child to feel safe, valued, confident and excited to come to school each day.

We look forward to working alongside you to make your child's kindergarten journey positive, engaging and memorable.

The Kindergarten Team

Our Vision

Dalyellup Primary School, in partnership with the community, will provide an environment that is:

- Inclusive and nurturing
- Educative and challenging
- Encouraging and affirming

Together, we develop lifelong learners who can participate successfully in our changing world.

Admission & Collection

For the safety of all children:

- If your child arrives at school after 8:45 am, please sign them in at the school office.
- If you need to collect your child before 2:50 pm, please sign them out at the school office and give the green slip to their classroom teacher.

Birthdays

We love celebrating birthdays in Kindy! Children enjoy singing, counting and talking about their special day.

If you would like to provide a small birthday treat, please discuss this with your child's classroom teacher beforehand.

We understand that every family celebrates differently, and we are happy to respect and support your family's preferences while making each child's special milestones memorable.

Families as Partners & Family Helper Roster

We value the important role families play in their child's learning and welcome your involvement in our Kindy program.

We share photos, updates and learning experiences through ClassDojo. Families are encouraged to communicate with us, share information about their child and celebrate their learning.

Throughout the year, parents and carers will also be invited to join our parent helper roster. This is a wonderful opportunity to spend time in the classroom, see your child learning and playing, and take part in the fun of Kindy.

We look forward to building a strong partnership with every family!

Kindergarten Essentials

School Health Nurse

Our School Health Nurse, Rachel Karsten, visits Dalyellup Primary School and may offer general health checks for Kindy children with parent or carer consent.

If any concerns are identified, Rachel will discuss these with you and recommend appropriate support or follow-up where needed.

Settling Into Kindy

Starting Kindy is an exciting milestone, but it can sometimes feel overwhelming. Your child will be adjusting to new adults, classmates, routines, expectations and a new learning environment.

Our teachers will work closely with you to help your child feel safe, supported and comfortable during this transition.

Children often take their cues from the adults around them. Speaking positively and confidently about Kindy can help your child feel reassured and excited.

When leaving, always say goodbye and remind your child that you will return. Keeping goodbyes calm, positive and consistent helps children develop a sense of security.

Every child settles in differently, and we will work in partnership with your family as your child builds confidence and feels at home in Kindy.

Toileting Support

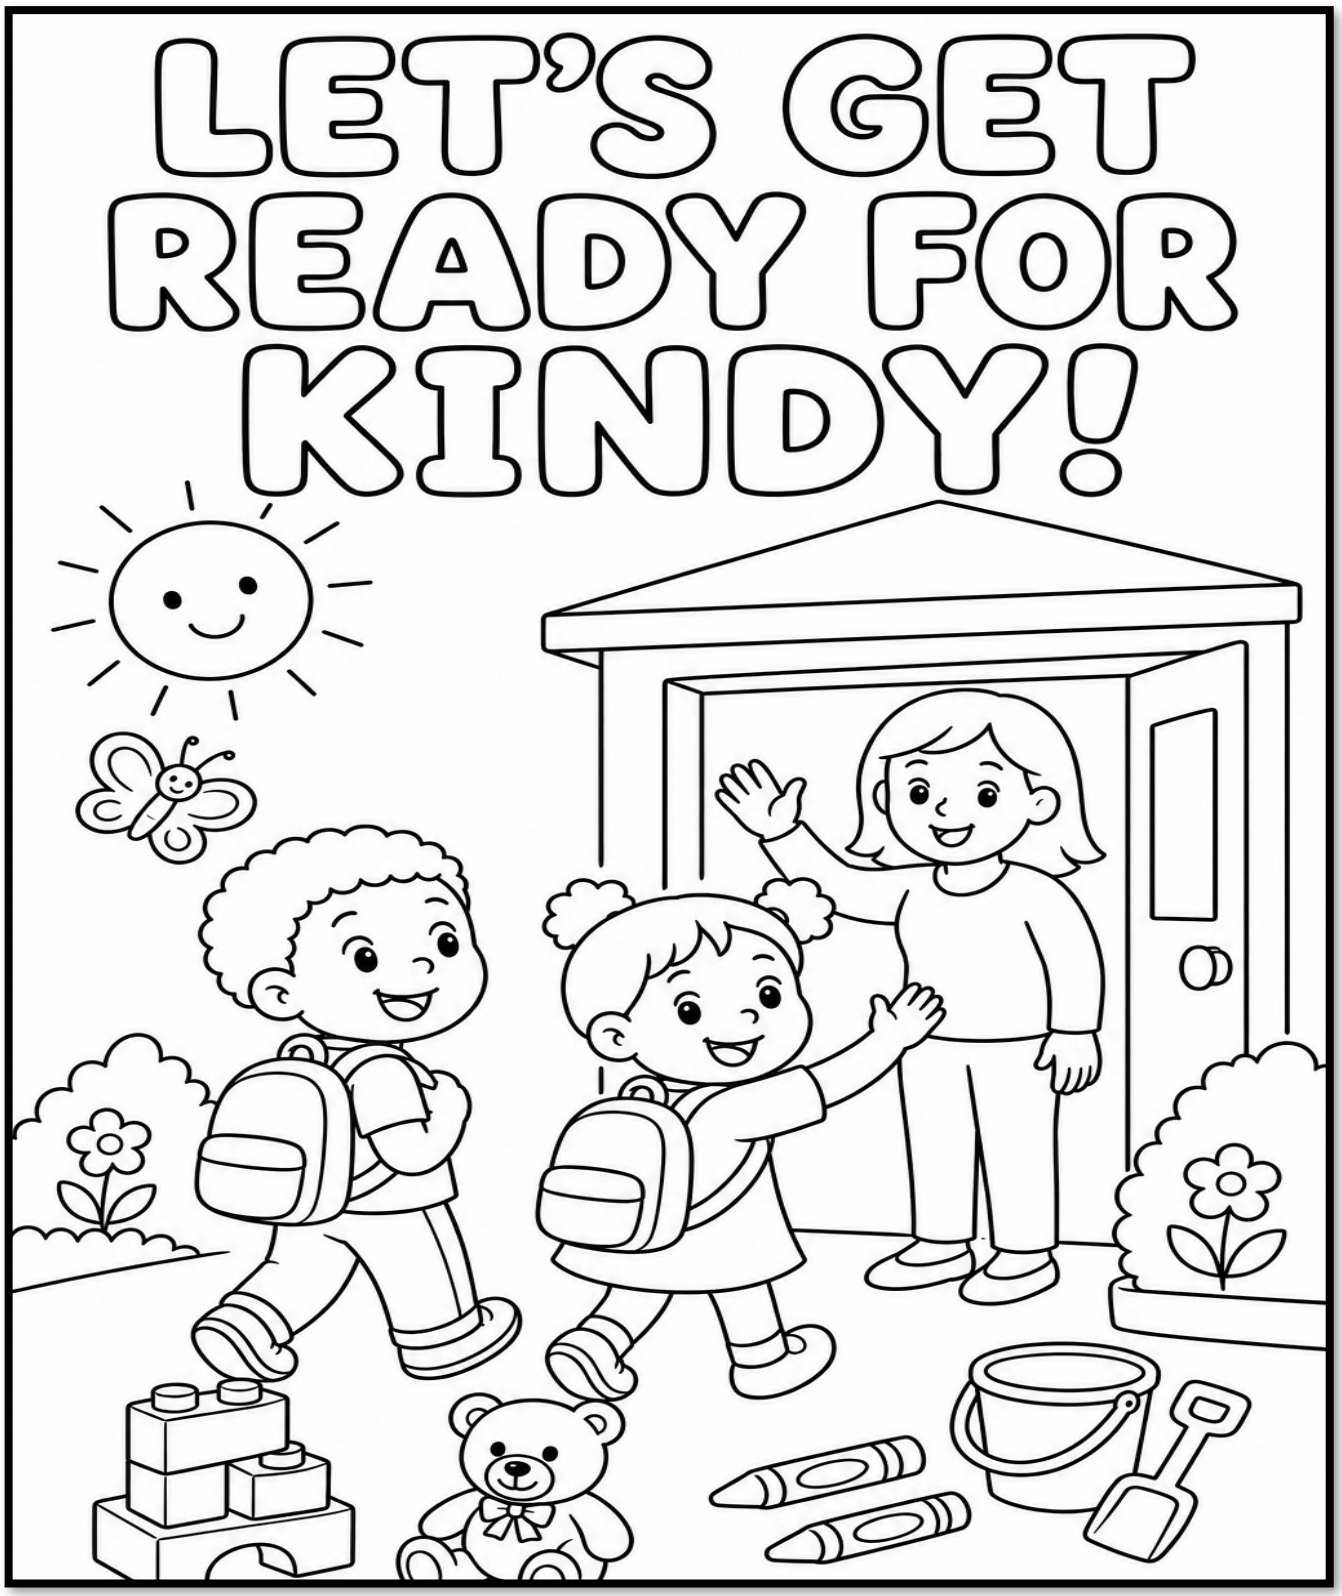

We understand that children develop toileting skills at different rates. We will work in partnership with families to support each child's individual needs.

If you have any questions, concerns or specific toileting requirements, please speak with your child's classroom teacher before the school year begins. Together, we can develop a plan to help your child feel comfortable, confident and supported.

For further information, the **Raising Children Network – Toilet Training: When and How to Do It** is a helpful resource.

My First Day

Classroom doors will open at 8:35am. When you come inside, there will be fun table-top activities for you to enjoy with your family.

When the siren sounds at 9:00am, we will say goodbye to our families and begin our exciting Kindy journey together!

We will play together, make new friends and get to know everyone while enjoying some fruit for morning tea.

After we play, we will get ready for recess and some outdoor fun!

WELCOME TO

KINDERGARTEN

My First Day

When you hear our special bell ring, we will come back inside and explore some new play stations together!

We will then pack away, enjoy our lunch and head outside for more fun and play!

When the final bell rings, we will return to our classroom, pack our bags and get ready for home time.

We will finish our day with some quiet reading and craft before saying goodbye and meeting our families for home time.
